2. The failure of any Employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal and a Supervisor's failure to give a

decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutually written agreements.

3. It is agreed that any investigation or other handling or processing of any grievance by the grieving Employee shall be conducted so as to result in no interference with or interruption whatsoever of the work activities of the grieving Employee.
4. In matters dealing with alleged violations in those areas over which a Supervisor has no authority to grant the appropriate relief, and in all cases in which the decision being grieved is a decision which was made by the County Engineer, the grievance shall be initiated at the Third Step. The time limits for filing a grievance at the Third Step shall be the same as the time limits for filing at the Second Step.

C. Processing Grievances

1. First Step:

An attempt shall be made to resolve any grievance in informal, verbal discussion between the grievant and his or her Supervisor consistent with the County Engineer's Conflict Resolution Policy.

2. Second Step:

If the grievance cannot be resolved informally, the aggrieved Employee shall file the grievance, in writing, and, at a mutually agreeable time, discuss the matter with the County Engineer. The written grievance shall state the remedy requested. The filing of the formal, written grievance at the Second Step must be within fourteen (14) calendar days from the act or omission giving rise to the grievance, or when it should have been reasonably discovered. The County Engineer shall make a decision on the grievance and communicate it, in writing, to the Employee and the Board of Supervisors within fourteen (14) calendar days after receipt of the grievance.

3. Third Step:

In the event a grievance has not been satisfactorily resolved at the Second Step, the aggrieved Employee shall file, within seven (7) calendar days of the date of the written decision at the Second Step, a copy of the grievance with the Board of Supervisors. The Board of Supervisors shall file an answer within fourteen (14) calendar days of the Third Step grievance meeting and communicate it, in writing, to the Employee.

4. Fourth Step:

- b. By Lot. In the event the parties are unable to agree, or the person agreed upon is not available, the parties shall jointly request the Public Employment Relations Board to nominate a panel of five (5) arbitrators. Within five (5) days after receipt of the names of such panel, representatives of the parties shall confer and each party shall alternately strike a name from the list of nominees until one (1) remains. The arbitrator so selected shall be informed of the selection by the parties.
- c. Costs. The costs incurred for the services of the arbitrator, including per diem expenses, if any, and the actual and necessary travel, subsistence expense and all other costs, shall be borne and divided equally between the County and the Union. Any and all other expenses incurred with respect to the arbitration shall be paid by the party incurring said expenses.

D. Arbitrator's Jurisdiction

The decision of the arbitrator on the issues presented shall be final and binding. The arbitrator shall not have the right to add to, subtract from, modify or disregard any of the terms or provisions of this Agreement. Further, the foregoing provisions for arbitration are not intended to, nor shall they be construed to apply to any dispute as to the terms and provisions to be incorporated in any proposed new agreement between the parties, or to the matter that the laws of the State of Iowa require to be resolved otherwise.

E. Arbitration Procedures

The procedure to be followed in submitting the difference or dispute to the arbitrator shall be determined by the arbitrator. The arbitrator shall submit his/her decision in written form to both parties within thirty (30) calendar days following the conclusion of the hearing(s), as the case may be.

If the finding or resolution of a grievance at any step of the procedure is not appealed within the prescribed time, the dispute will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review.
